1 CONNECTIVITY

Located just 47 minutes from Valladolid Airport on the A62, an hour and a quarter from Madrid on the AVE high-speed rail line

Palencia is a comfortable and welcoming city with a wide-ranging leisure and gastronomic proposal on offer all year round.

It is exceptionally well located and linked through a modern railway and roadway network.

Capacity 40 Pax

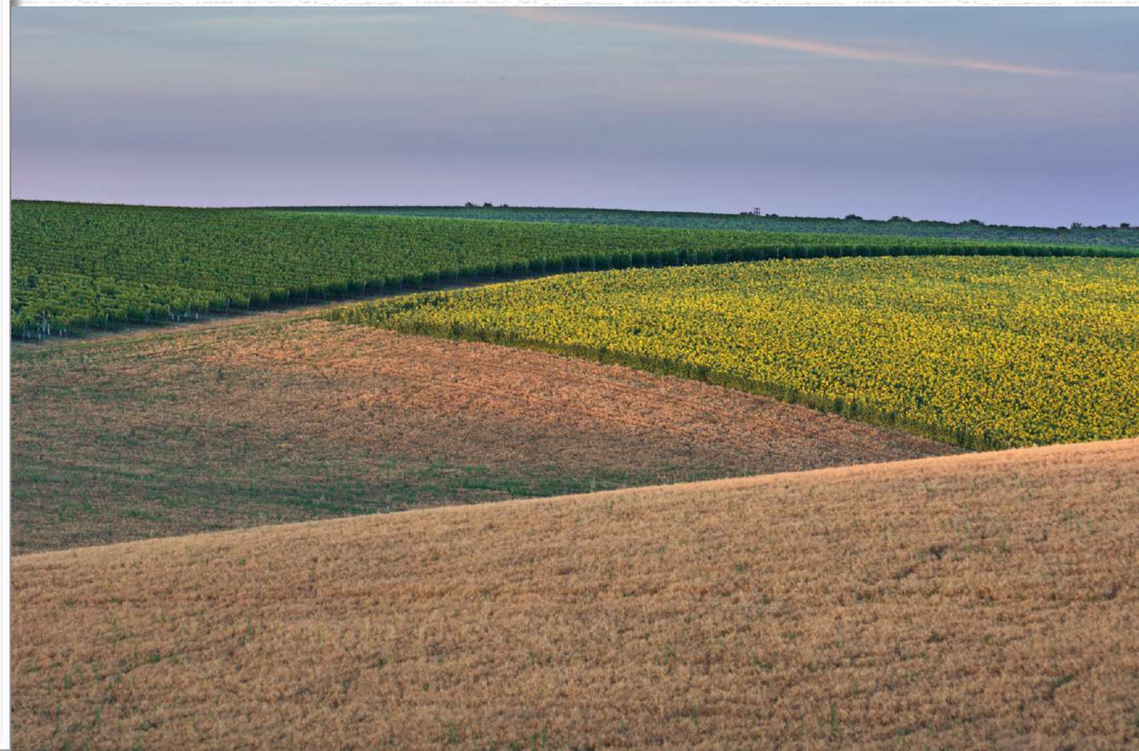
la encina

The only one awarded with the top prize of Best Spanish Omelette in all of Spain on four occasions. Featuring potatoes from the ‘La Ojeda’ crop, a smattering of Palenzuela onions, extra virgin olive oil, not skimping on the eggs and all cooked up in grandma’s special frying pan. Pure pleasure for the senses.

Capacity 90 Pax

Very close to the city

The route between its meadows makes it an experience to reach them



The Bajo Carrion Hotel Restaurant is simple our way of understanding the hostelry trade, a unique experience in Palencia

San Zoilo

The charm of a city in which you will discover a peaceful way of life, the home of great kings and the place in which Spain's first university was founded.
